

Cirrus Solutions Announces Partnership with CRS Credit

July 2023,

Cirrus Solutions has partnered with CRS Credit to allow Manufactured Home Dealers to pull customer credit easily and inexpensively from any of the 3 major credit bureaus. The credit pulls are soft pulls and do not affect the customer credit score. This allows the dealer to quickly know how to structure a deal and which bank is most likely to finance the deal.

Cirrus Solutions, Palm City, FL is a dealer management software created by dealers for dealers. The fully integrated, comprehensive Cloud-based platform allows dealers to streamline their processes, understand business profitability and drive more sales. The modular system integrates with external programs and allows dealers to manage inventory, deals, service, parts accounting and more. The integrated website automates presentation of inventory on the web simply by adding units into the system.
